THANKSGIVING

... is a time when each individual in the privacy of his own heart should pause and say a grateful "thank You" to his Maker.

The trend in present-day America, and I suppose I would be showing preference if I left out the rest of the world, is to take things, blessings and non-blessings alike, for granted. The attitude seems to be: "They happened, so what. Good luck I like, and bad luck can go away."

No one has ever accused me of being a strong religionist. But I do firmly believe that man has Someone far greater than he to help him through the tight spots. No mortal can go it alone. Therefore, to me it would be inappropriate to get up Thanksgiving morning and look into the mirror and say: "Thanks, guy. You have been great to me!"

We need to humble ourselves. We need to bring our ego down to its knees more often in a sincere gesture of acknowledgment that we are merely human and all things we do, all deeds we accomplish, all thoughts we think, all material wealth, be it little or large, we own, are granted to us by a generous and loving God.

Let's be thankful we live in a town small enough that if we make even a half-hearted effort most residents can be counted among our friends.

Let's be thankful that when we awake in the morning we know we can step outside into fresh, lung-filling fresh air polluted only by what the heavens have granted, rain, sunshine, fog, clouds.

Let's be thankful that when we walk down the street we can say hello to even a stranger and get back in return a friendly greeting instead of a glare of suspicion.

Let's be thankful that we can go to our place of employment and greet our friends who work with us as the fine humans they are instead of just another body to accomplish the task at hand.

Let's be thankful that we can go sit with someone and over a cup of coffee strengthen the bonds of friendship with friendly banter and not be afraid that he will run and repeat our mouthings to some "police state" organization that would like to censor what everyone says.

Let's be thankful that we live in a town, county, state, nation that, despite its many faults and fallacies, insures us freedom of speech and religion and the pursuit of all that makes us happy.

Let's be thankful that we live among a nation of people who care for their fellow-man enough that they will impose taxes and laws upon themselves to insure that he can live as a human and not a serf.

Let's be thankful that we have enough people in our nation who believe strongly enough in these freedoms that they will gladly fight to protect them.

Let's be thankful for the hundreds of thousands Americans who over the past years have fought and died to see that we still have a country in which we can

Three enter contest

Three Medina County girls have entered the Pecan Queen contest; there are about 28 entries in the Pecan Baking contest, and more than 100 entries of pecans are expected in the second annual Winter Garden Area Pecan Show to be held in Hondo City Hall December 7-8, according to Glenn Bragg, County Agricultural Agent.

Linda Howard of Devine; Dee Ann Schirmer of Castroville; and Debbie Cheney of D'Hanis will compete for the title of Pecan Queen.

They will be judged on the basis of interest and knowledge about pecans, beauty, poise and personality, and the winner will represent Medina County pecan growers at various functions during the year.

The Pecan Baking show will feature cakes, pies, cookies and novelty dishes containing at least one cup of fresh pecans.

Entries are due at City Hall between 8:30 a.m. and 9 a.m. December 8, and the food will be on exhibit beginning at 1 p.m.

Medina Agriculture Products Company will award a cash prize of \$3 for first place winner; \$2 for second place; \$1 for third place in each category. Ribbons will be awarded other winners.

Holy Cross Church, D'Hanis, will award a handsome engraved silver tray to the entry judged best of show, and a rosette to the reserve best of show, according to Father Victor Schmidtzinsky.

Sale promotion termed 'success'

NANCY FRIDLE, chairman, and RALPH HAUGER, treasurer of the Retail Merchants Committee, stand behind the many registration forms turned in by participating merchants in the big sale promotion last week.

Hondo's first big sale promotion in a long time, sponsored last weekend by the Hondo Retail Merchants Association, apparently proved successful, or it did for the winners of the gift coupons anyway.

Winners were drawn Saturday afternoon at Radio Station KRME and they included:

\$200--Natividad Acuna, Jr., 1808 Ave. T, Hondo; \$100--Pat Grunewald, Star Route, Yancey; \$80--Bill R. Pickthall, 402 20th, Hondo; \$40--Rose Mary Martinez, Route 1, Natalia; \$20--Alex Wendland, Route 1, Hondo; and Carol Long, 2007 Ave. E, Hondo.

The going gets tougher this week when the Hondo Owls take on the Needville Blue Jays in Regional playoffs Friday night in Lamar Consolidated Stadium in Rosenberg.

MADELYN FOHN
...Cowboy Football Sweetheart

Fans are hoping the loss of the flip signifies no bad omen as their Owls go against what Hondo coaches describe as a "real good, strong team, a team with good, physically

rough personnel."

Needville, undefeated in 11 games, champions of District 26-AA and 14-7 Bi-District winners over Smithville, run from a Wishbone and

"hit you with everything that formation has to offer" say the coaches.

"Quarterback Randall Miksch, about 6-1 and weighing 180 pounds, runs the team

well," Coach Nelson Bippert said. "He runs, pitches out and passes very well. He likes either the sprint-out or drop back pass and against Smithville his passing was very accurate. They usually split one end and sometimes two. He is their favorite pass target. They will even run from a straight T at times."

Offensively, the Blue Jays have not been outstanding this year, but what they lacked there they made up on defense. In their 11 games their defense has allowed six teams one TD each and shut out five other teams.

"And you can see if they play this type defense, they don't need to score a lot of points, just enough to heat you and the old on," Bippert pointed out.

But according to the coach that doesn't mean they can't score. "They can score and we have shown we can score, so with these facts in mind along with the defensive ability of both teams, this could be a game that could go either way," Bippert said.

Either way it promises to

Owl Band wins division one rating in marching event

The Hondo Owl Band, directed by Billy Harrell, received a first division rating

for the second consecutive year in the U.L.L. Marching Contest held in Pearsall last Friday.

Football tickets on sale

Get your tickets for the Hondo-Needville Regional football playoff Friday night in Rosenberg!

Reserved seat tickets, by seat row and number, will be on sale from 8 a.m. - 12 noon and 1 - 4 p.m. today (Wednesday). The business office will be closed both Thursday and Friday.

"We received 990 reserve seat tickets," Supt. Kenneth Flory said Monday morning. "Their stadium, Lamar Consolidated in Rosenberg, will seat 6,500. And they tell us they have two more sections on the visitors side for tickets to be bought at the gate."

Hondo fans who will be driving their cars to Rosenberg for the Regional playoff tilt between the Hondo Owls and the Needville Blue Jays might be wondering about the route.

It has been suggested the best route possibly is to continue on Highway 90 to Sealy and cut south to Rosenberg. That way offers an Interstate highway for all except about 50 miles.

The football team will be leaving Hondo about 1 p.m. Friday. And the Owl Band probably will leave then also.

Some of the comments made by the judges were as follows: Bob Lewis: "Band looks sharp! Sounds great. Beautiful Marching-beautiful playing. Very well planned and executed show."

Joe Rogers: "Really a fine show and such a fine sound. The pride of Hondo. Congratulations to each of you and your fine director. Keep up the good work. I am proud of you."

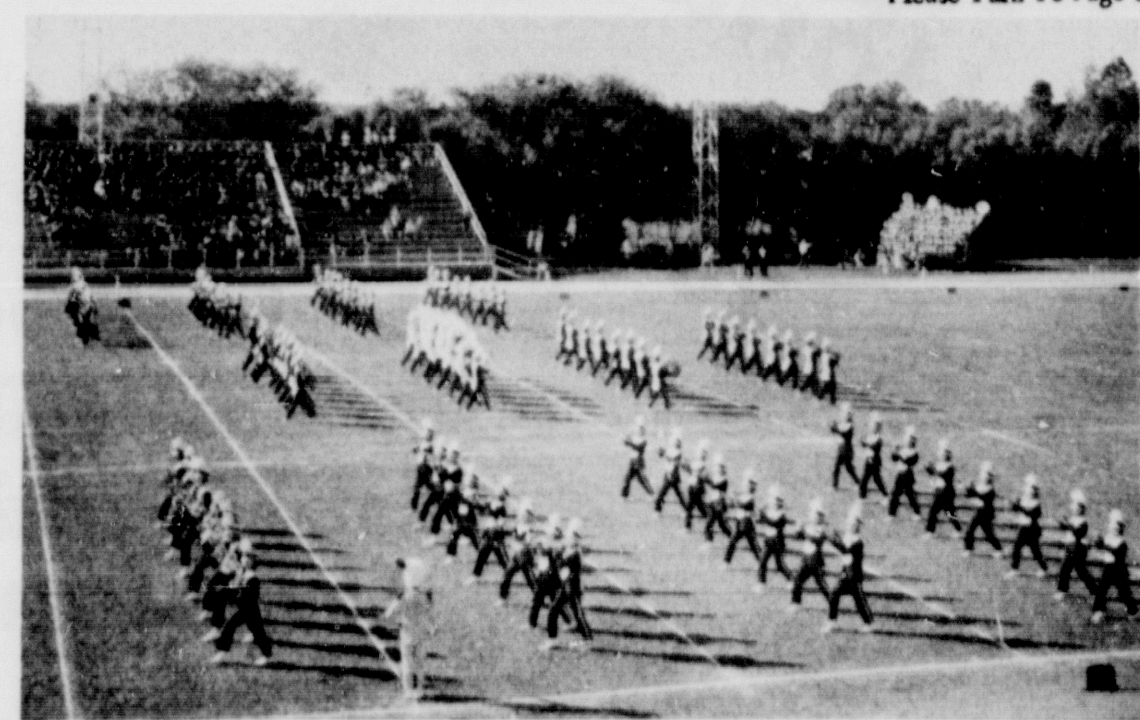

Herb Karnau: "This was an outstanding show! Very well done! This was really a "gas" to watch and listen

to. Such fine sounds."

Also receiving a first division rating in a twirling ensemble were Georgia Landers, Myra McCartney, Donna Zerr and Robin Saathoff. Georgia also received a first division medal for a twirling solo.

Other bands and their ratings were: Uvalde Jr. High - III, Center Point - IV, Nueces Canyon - II, Rocksprings - V, Sabinal - III, Bandera - II, Natalia - IV, Comfort - I, Blanco - I.

Also, Uvalde (2nd group) - III, Pearsall - I, Carrizo Springs - III, Devine - II, Medina Valley - II, Cotulla - III, Uvalde - II, Fredericksburg - I, Kerrville - I and San Felipe-Del Rio - I.

THIS IS THE WAY IT'S DONE

A holiday thought

So you got a ticket mister,
you break my heart

By W. O. Newman, Commissioner,
Kentucky Dept. of Public Safety

Maybe you're one of them. Are you one of the people who call me on the telephone or write me a letter to tell me my troopers are stopping motorists and giving them tickets for "no reason at all"? I wouldn't know -- you never give your name! You tell me you're a good citizen and a safe driver just using the Interstate for what it was intended -- speed. And that "dumb cop" gave you a ticket.

You break my heart! I hope the next time you're tearing down the road at 85 miles per hour that trooper catches you again. I hope he gives you another ticket and the traffic judge takes your license away. I hope he catches you before you smash into a concrete bridge abutment at 85 mph and he has to help pry your lifeless body out of that crushed speed machine of yours. I hope we can teach you a lesson with a ticket so maybe you won't cause a wreck and cost somebody else his or her life.

You really break my heart telling me you don't have time to go to court about that ticket. I wish you could come with me to the scene of a wreck sometime. I wish I could make you stand and watch a man writhe in the gravel on the shoulder of a highway while he waits for an ambulance that will be there too late to do anything but carry him to the morgue.

I wish I could make you help scrape the bits of bone and flesh of a whole family off the asphalt and into baskets. You'd vomit -- just like my troopers do; but you'd think differently the next time you climbed into that car of yours.

You said you were driving safely when the trooper stopped you. The road was clear and there was no harm in edging over the speed limit a few miles per hour -- you said. I'm really impressed with your ability to judge road conditions. I'm only sorry a trooper wasn't at that

place a few months ago when a man with a wife and four children had a blowout at over 80 mph. He might have slowed him down; and his children would still have a father and his wife a husband.

Oh, am I getting you mad again? That man might have been mad if the trooper had stopped him. He might have written me a letter. But he'd be alive.

Your letter doesn't bother me friend. What bothers me is that you apparently haven't learned your lesson. You're probably going to get back behind the wheel of your car thinking you own the road and nothing can happen to you. You don't think about the other people on the road who want to go on living.

And who gave your kid driving lessons. You? Then he's probably gotten a couple of tickets, too. It's no wonder he weaves in and out of traffic, speeds, and leaves strips of burned rubber at stop lights.

I hope we catch him too, mister, before we have to call you and your wife to come identify his body at the morgue. I don't want to watch you crying and wishing you hadn't let him have a car until he learned to drive maturely.

And you say you want my troopers to let you off with a warning. What you really want is for us to stop doing our jobs! You want us to let you go until you meet another guy just like you -- head on!

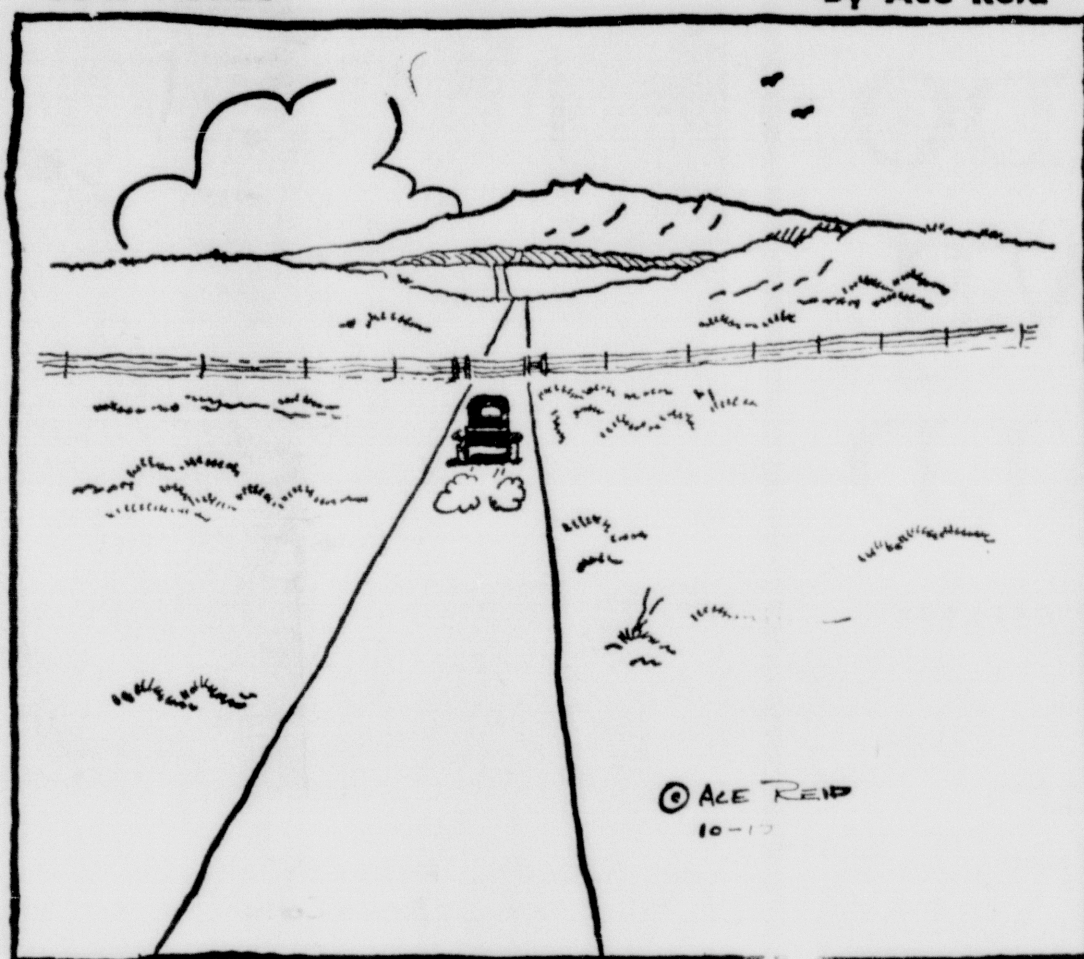

I wish you could come with me to a wreck and see the seared body of a victim after the fire department has finished its job of extinguishing 15 gallons of flaming gasoline. I wish you could go with me to her home and help me tell her husband that his wife isn't coming home because some idiot ran her off the road while trying to pass her. I want you to help him explain why mommy won't be home.

You're mad because you got a ticket, and you have to take time off from work to go to court.

YOU BREAK MY HEART, MISTER!

"Maw, yer lucky to live, here only seven gates to open from here to town!"

Book tells history of this area

The area surrounding Hondo is featured in a new, one-volume Texana edition of the Lone Star State's major stories, "Off The Beaten Trail", just released by Texian Press, publisher Robert E. Davis of Waco said today.

One story in the 500-page book of Texas lore reveals the startling experiment of incendiary bats, planned and

carried out in secrecy in the old Ney Cave between Hondo and Bandera during World War II. Another and an eerie one is the true story of Texas' headless horseman who terrorized settlements from the Hondo area to the Nueces. The horseman was a cattle rustler beheaded by Bigfoot Wallace.

Written by Hill Country author-historian-columnist Ed Syers, OBT, as it has become popularly known, appeared for many years as a weekly metropolitan feature in most major Texas cities. In book form it proved a consistent best seller through three volumes and seven printings. The one-volume Texian Press edition combines all previous books with new material, complete indexing and mapping.

"Off The Beaten Trail" demanded assembly into one lasting book because it is real Texas heritage," Davis said. "It has to be the best-

TRAFFIC SAFETY

. . . is the focal point of the San Antonio Alcoholic Safety Action Project which Gov. Preston Smith kicked off Tuesday.

Gov. Smith told those at the kickoff luncheon in San Antonio Tuesday that he "pledges his full support to this project which aims at getting the abusive drunken driver off the highways and streets."

The Governor cited the following facts about these chronic violators, these repeaters in death and destruction: they cost the people of Texas \$500,000,000 (that's 1/2 billion) annually; they cause 1700 traffic deaths annually.

San Antonio Alcoholic Safety Action Project, funded by \$2.2 million over a three year period by the U.S. Department of Transportation, needs and deserves cooperation from every citizen in the area.

It is presently completing the planning phase and will initiate action programs on January 1, 1972. These programs fall into three broad categories:

- * Some new options to courts for handling DWI offenders
- * Expansion of amount of attention law enforcement, prosecution and probation personnel will give to the problem
- * Establish a model behaviour school and provide consultation and counsel to convicted problem drinkers who drive

Three other projects are underway in Texas with the State and Federal governments halving the \$2.6 million cost. These are under the supervision of the Texas Traffic Safety Administration headed by Ross Rummel and Gen. Tom Bishop.

They are located in Houston, Dallas and six Central Texas counties.

I would hope that every person who reads this newspaper would pledge whole-hearted support to this program, not only for their own good, but for the benefit of every person in our State.

SOME BUSY BODY

. . . over in D'Hanis spied a Hondo City Police vehicle in that fair city early one morning this past week and immediately questioned a Hondo resident as to "What in the _____ is a Hondo police car doing in D'Hanis?"

It seems the car was just passing through, driven by the new city patrolmen who are attending law enforcement school in Uvalde.

I wonder if that same irate citizen asked what city police cars were doing in D'Hanis during the recent floods, or on the two nights fatal accidents happened near the city?

HARRY FILLEMAN

. . . says he certainly wants to say "thanks" to all who helped make the annual Wild Game Dinner a success. That goes for workers, eaters, drinkers and any who just came out for the fun--and there were just some people out at City Park Saturday night --more than 800 went through the serving line.

Anyway, Harry, you're welcome for my eating a big plate of just about everything except rattlesnake or hot potatoes.

Frio, LaSalle, Webb and Maverick Counties are eligible to compete in the pecan show.

Each entry must consist of 45 nuts from the 1971 crop and must be placed in the show by noon December 7, marked with the grower's name and address.

Growers are limited to one entry each in the improved, or papershell, varieties, but as many entries of native, or seedling, varieties as desired. All nuts will become the property of the show committee.

First, second, and third place entries will receive handsome plaques and rosettes and will be entered in the regional pecan show in San Antonio.

Henry New of Seguin, Guadalupe County Agriculture Agent, and Calvin Lyons of Weslaco, Extension Horticulturist, will be judges, and a third judge is expected to be announced soon.

Clarence P. Wurzbach of Rio Medina is chairman of the Medina County Pecan sub-committee staging the event. Other members include A. V. and Dan McGee, Yancey; Father Schmidszinsky and Wayne Cheney, D' Hanis; Armin Bendele, Biry; Henry Schirmer, Castroville; Harold Chilton of Central Power & Light Company, Uvalde.

Sewage money approved

Families in the D'Hanis area are happy this week about the action taken by the Federal government.

The Farmers Home Administration has approved a \$190,300 loan for a sewage collection and treatment facilities.

Sen. John Tower made the announcement in a telegram which read:

"Farmers Home Administration today approved \$190,300 loan to Medina County Water Control and Improvement District #2, to assist construction of sewage collection and treatment facilities for 145 rural families in D'Hanis."

Offensively, the Blue Jays start a team which will average approximately 172 pounds. And on defense, aided by their giant 230-pound nose man Kirk Schmidt, they average 179 per man.

These compare to the Owls' approximately 160 pounds per man on offense and 163 pounds per on defense.

Bippert said as of Monday all Owls were in good shape, with the exception of Mark Timmerman, who is out for the season, and Nick Turner who possibly see action this week. He was to have worked out Monday afternoon.

Needville's starting offensive lineup will probably read:

Ronald Miksch (20), 135 and a favorite target from his split end position; Anthony Vecera (74), 180, LT; Robert Stasney (69), 160, LG; (50), 165, center; Gary Meuth (63), 190, RG; Richard Oberender (54), 195, RT; right end (89), 185; Randall Miksch (15), 180, quarterback; Michael Griffith (24), 165, back; Vit Wallis (19), 175, back; Richard Hurta (28), 165, back.

Robert a Ramirez honored

Presentation of the Air Force Commendation has been made to Sgt. Robert J. Ramirez, son of Mr. and Mrs. Joe Ramirez, 1604 12th St. in Hondo.

The citation accompanying the presentation stated: "... Sgt. Robert J. Ramirez distinguished himself by meritorious service as a Senior Security Policeman, Law Enforcement Section, 6251st Security Police Squadron, Bien Hoa Air Base, Republic of Vietnam, from 22 Sept. 1970 to 19 Sept. 1971.

"During this period, Sgt. Ramirez's outstanding professional skill and knowledge aided immeasurably in the law enforcement and control of military personnel assigned or attached to the base. His courteous and diplomatic control of the Vietnamese civilians working on the installation insured a positive relationship with the Vietnamese hosts.

"The distinctive accomplishments of Sgt. Ramirez reflect credit upon himself and the United States Air Force."

PRESENTING FIRE TRUCK KEYS . . . Left to right: W. L. Dub DuBose and Benito Cortez, Devine city aldermen, watch Mayor Sid R. Malone present ignition keys of new \$35,000 fire truck to Manuel Rodriguez, captain and driver of truck for Devine Volunteer Fire Department.

Devine gets fire truck

BY YANCEY RUSSELL

As the new addition to the Devine Fire Station nears completion, a new piece of equipment has been delivered in the form of a new gleaming white \$35,000 pumper truck.

Members of the Devine Volunteer Fire Department, numbering about 40, were on hand with city officials as the truck was delivered by Richard Nunn of Simms Fire Equipment Company of San Antonio.

The ignition keys were presented to Mayor Sid R. Malone, who in turn presented them to Manuel Rodriguez, captain and driver of the new truck.

It will be housed in the new addition to the station which now is being completed at a cost of about \$17,000. The new truck pumps 750 gallons per minute and is the latest in fire fighting equipment, according to Don Lawrence, reporter for the firemen.

The station has been enlarged to the dimensions of 74 X 56 feet, with a total area of 4,144 square feet. It provides six truck stalls, an air-conditioned meeting room, kitchen, and two rest rooms, and is said to be the largest of any volunteer fire department building in South Texas.

In addition to the new truck, the department's equipment includes one pumper truck of 350 gallon capacity.

city, one of 300 gallon capacity; one tanker truck of 1200 gallon capacity, and another of 30 gallon capacity. A second six-wheel drive tanker truck now is on order, Lawrence said.

The fire siren atop the hose tower back of the station recently was completely overhauled.

Each volunteer fire fighter's home is equipped with a plectron radio receiver for immediate communication in case of a fire alarm.

Five descon radio base units are maintained by which messages may be relayed over a radius of 30 to 35 miles, in addition to six emergency telephones, and six mobil two-way radio units.

The department receives its basic support from an annual appropriation of \$300 from Medina County funds; 180 per month from city funds, and about \$315 per month from voluntary contributions of local citizens, Lawrence pointed out.

The recent 21st Annual Firemen's Bow at Warhorse Stadium cleared \$2,850 for the department, and a rummage sale conducted by the Senior Home Demonstration Club jointly with the firemen cleared \$1,153.34, and will continue on Fridays and

Saturdays until December 18.

Although 119 fire calls were answered by the volunteer firemen the first nine and one-half months of the year, they haven't been called out to fight a single fire since before September 16.

Private Malone assigned to Ft. Ord Calif.

FT. ORD, CALIF. --Private Richard L. Malone, 23, whose parents, Mr. and Mrs. Sidney R. Malone, and wife, Leigh Ann, live at 610 W. Brown Ave., Devine, is assigned to Ft. Ord, Calif., where he is training under the modern volunteer Army Field Experiment.

The new concept, called Volar, combines basic and advanced individual training into a single 16-week program. Decentralized instruction at the unit level and a reduction of formations and inspections gives the soldier more time to train and increased off-duty time. Fewer restrictions on off-duty travel and improved living facilities are other benefits of the Volar concept.

Pvt. Malone began his training on Oct. 4 and is scheduled to complete the first phase on Nov. 26.

SS questions and answers

A million people--students, housewives, and others--will work in holiday jobs in department stores and elsewhere to earn some extra yuletide money this season. Most of them will also be building up their protection under social security, according to Roy L. Swift, social security district manager in San Antonio.

"If your holiday job is covered by social security--and most jobs are--you'll get social security credit for 3 months' work if you earn \$50 or more in the October-December period," Swift said. "This is true even though all your earnings come in December."

Work credits build eligibility for social security disability, survivors, and retirement benefits and for Medicare coverage at 65, he explained.

"Credits earned in holiday jobs can be particularly important to young people," Swift said. "For example, a young person who becomes disabled may need credit for as little as 1-1/2 years of work under social security to be eligible for monthly checks. Credit for 3 months of work because of a holiday job can be a big help."

Social security now pays \$279 million a month to almost 2.8 million disabled workers and their families.

Work credit also builds eligibility for monthly benefits for the families of young workers who die prematurely. Social security pays \$672 million a month in survivors benefits to almost 6.6 million children, widows, and other survivors of deceased workers, Swift said.

Holiday workers should have a social security card, the district manager noted. "Be sure you show your card to your employer so your earnings can be credited to

QUESTION: My 12-year-old son and I both received

monthly social security survivors payments after my husband's death. When I remarried a year ago, my benefits stopped. Since I was divorced last month, can I again receive monthly benefits on my first husband's earnings record?

ANSWER: Yes. Call or visit any social security office to file a new application for benefits. You will need a certified copy of your divorce decree.

QUESTION: My 71-year-old husband died recently. Social security sent me a check for \$234. Isn't the lump-sum death benefit payment always \$255?

ANSWER: No, the amount of the lump-sum death payment under social security can vary from \$211.20 to \$255, depending on the worker's average earnings under social security.

Echology studied by 4-H group

An ecology program and the part insects play in a balanced ecology was enjoyed by the South Hondo 4-H Unit II. Mrs. Wilbur Lindeburg was the guest speaker.

Lupe Barrientes was welcomed as a special guest. Those participating in the meetings duties included Paula Moos, Susan Zuberbue-

ler, Carol Schmidt, Chris Cole, Doug Cole, Lesley Muenink, Sandra and Lynn Moos, Robert Marquis, Paula Jones, Kay Martin, Pam Pitre, Nancy Martin, Travis Samford, Bruce Martin, Debbie Marquis and Terri Young.

A demonstration "Teen Age Nutrition" was presented by Paula and Lynn Moos. Rifle raffle tickets were distributed. Annette Timberlake and Ray Lutz were introduced as new members. There were six adults, 31 members and three other guests present.

ATTEND CONVENTION

... Medina County Farm Bureau delegates are shown at the Registration table at the 38th annual meeting of the Texas Farm Bureau held Nov. 14-17 in Amarillo. They are, left to right, front row: Mrs. R. A. Faseler, Hondo; R. A. Rodgers, Dunlay, President, Medina County Farm Bureau, Mrs. Stanley Mumme, Hondo; second row: R. A. Faseler, State Director Texas Farm Bureau; and Stanley Mumme.

Local delegates attend convention

Medina County Farm Bureau was represented at the 38th annual meeting of the Texas Farm Bureau Nov. 14-17 in Amarillo by five delegates.

State policies and recommendations on national issues were adopted by more than 900 official voting delegates from most of the 206 organized county Farm Bureaus. Total attendance at the convention was more than 1,500.

Registration got underway Nov. 14. Highlights of that day included Discussion Meet and Talent Find competition for young people and vespers services.

The Monday morning program included the annual address by TFB President J. T. Woodson of Goben, an administrative report by Executive Director O. R. Long of Waco, and an address by William J. Kuhfuss, president of the American Farm

Bureau Federation. Special conferences on Community Services, Young Farmers and Ranchers, Livestock, Dairy and Natural Resources were held that afternoon. The annual Queen Contest, with 13 participants, was held Monday evening.

Special conferences on field crops, farm labor, research and education, services, poultry and farm bureau women were held Tuesday morning. The annual banquet was held Tuesday evening.

The business session convened at 10:30 Tuesday morning with voting on resolutions sent in by county farm bureaus. The voting session continued Wednesday until all recommendations were either adopted, amended or rejected. Final order of business was election of directors and the president.

R. A. Rodgers served on the Texas Farm Bureau resolutions committee which met four days before the convention preparing the resolutions sent in by members from over the State for the convention.

Legion members to meet

Members of the Pruneda American Legion Post #524 will meet at 7:30 p.m. today (Wednesday), according to an announcement by Commander T. A. Lopez.

"The meeting will be held in the Courthouse jury room," Lopez said, "and all members are invited to be present."

Engagement announced

Mrs. Felice S. Martinez of Hondo announces the engagement of her daughter, Maria Elena, to Felix C. De Leon, son of Mr. and Mrs. Ramon DeLeon of Yancey.

The wedding is set for December 4 in St. John's Catholic Church in Hondo.

The bride-elect is the granddaughter of the late Mr. and Mrs. Cruz and Rosa Sandoval of Dallas.

Happy Birthday!

That's all she wrote

by Edna McDade

THANKSGIVING DAY, once again. Although I try to make a daily count of my many blessings, when this special day rolls around, I take annual inventory and remember to "Praise God from whom all blessings flow!". My good wishes include everyone one of you.

How the year swooshed by to become Nov. 25th, with Dec. 25th only a few days ahead, I'll never know and there's not enough time left now to try to find out.

Stores in this area are a winter wonderland of tempting goodies although, as of Nov. 18, the snow effect is still "simulated". Today's weather could well have come straight from Hondo, mild, one-sweater type, sunshine, and just enough softly moving air to keep any straggler leaves which still hang to a few trees, spiraling gently down to the still green lawns.

I haven't heard any complaints but those in the know admit that it hasn't been a good year, so far, for fur coat sales. For my part, I'm just as "fur" from a fur coat now as I've been all my life!

When one is far from home, mail time is a delight to anticipate although I don't always "collect". It was a happy surprise to have a letter from my friend, Mrs. ROBERT (Lina) STOLTE. Included was an invitation to have lunch with her on my return and I shall be looking forward to that pleasure.

ANNE DAVIS reported that she is "back on both feet" again after her recent "mis-step". Could be that new car went to her feet and not to her head!

I had a witness-report of the Oct. 18th birthday party of my little friend, ROBERT, son of J. D. and LINDA SCHMIDT. It was his first such celebration but Nov. 25th will mark his second Thanksgiving Day and I hope he enjoys that turkey leg to the last bite!

EDNA (Mrs. Elmer) NIETENHOEFER writes that her lunch time "boarders" in the Hondo schools have increased to 1,200! I compared her daily menus to those published in the local paper and, if the local "boarders" had a chance, I'll bet they'd head for Hondo on the double!

And, while on the subject of food, an ad appearing in a city daily reads, "Jug of bread, Loaf of wine, XX Inn is the place to dine!" Maybe the Book of Verses comes extra? As for "Thou", anybody want the job of singing in the wilderness at this season?

A columnist writes that, with all the instant, frozen, and other which he calls "ersatz" foods, Thanksgiving Day dinners, as he "remembers them at Grandma's house, have turned into scents-less vittles". Gone are the days?

Anybody down our way still have green tomatoes? A garden editor recommends placing them on newspapers (subscribe to the ANVIL HERALD!) and covering them with more paper. Place in a dark closet or in basement and check every day or so to pick the ripe ones. Claim is that, some years, "I have had fresh, ripe tomatoes until Christmas."

How's this for a sign outside a Staten Island, N.Y. Church? "The wages of sin are not frozen!"

My sincere congratulations to Hondo's LUPE BARRIENTES, whose community spirit and willingness to "get involved" led to his well-deserved recognition by President Nixon.

My congratulations extend also to Lupe's family -- although the names of his parents were not included in the "credits".

Lupe has been an enthusiastic supporter of our Medina County Museum project program and he can usually be counted on to "be among those present" when there's a job to be done.

Parents Stamp Out Drug Abuse With Facts

By Jerry Williamson
Chief Of Police
City of Hondo

Today's Subject: Glue-Sniffing

I am sure every parent following this series has heard of the glue-sniffing fad among young teens. What I am not sure about is whether each and every parent in our community knows of the serious dangers of this practice. Glue-sniffing has been going on for some years now, but in the over all increase of drug abuse across the country this seems to be growing by leaps and bounds too.

The type of glue used in glue-sniffing is the type made for the construction of model airplanes, cars, etc. The solvents in the glue, when purposely sniffed in concentration, can result in permanent damage to the nervous system and liver. In single, massive doses it can cause DEATH!

In sniffing the vapors of glue the youngster becomes dizzy and can believe the feeling to be pleasant as a mild intoxication. Glue sniffers sometimes place some of this glue into a plastic bag and place it over their heads to inhale and thereby get the greatest effect. If, during this process, the user should pass out it would be easy to suffocate.

Youngsters, of the age group attracted by this type of "thrill-seeking", have no way of knowing how extremely dangerous the practice can be and how damaging it is to their bodies. Parents MUST convey these facts to their children about glue-sniffing:

Glue and other things, such as gasoline, paint thinner, volatile solvents, etc., were never meant to be taken by people. The manufacturers of such products spend huge amounts of money to properly ventilate their plants to keep their employees from inhaling these fumes, why then, should anyone deliberately inhale these toxic materials?

Even the user who says he'll "just try it once to see what it is like" places himself in grave danger because not only does glue-sniffing cloud the mind, but over use of it in this manner, even one time, can cause a person to go into a coma. In autopsy reports, on persons who have died from inhaling such dangerous fumes, it is indicated there was damage to bone marrow, kidneys and lungs! Obviously, young children must be impressed in no uncertain terms that no short-lived "thrill" is worth such a risk! (No matter who, among their friends, is doing it with no outward signs of harm).

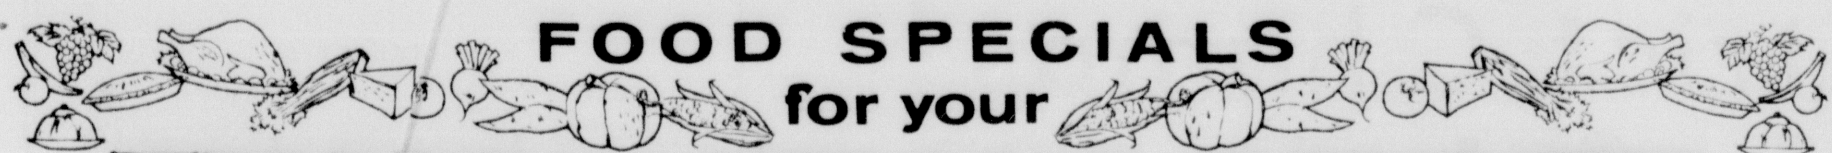

Give your child the FACTS about drugs and you automatically help to stamp out drug abuse, but be sure you HAVE the facts straight. Nothing lessens the respect your child has for your advice on this subject more than unfounded scare tactics not based on facts, and "old wives tales". Make it your business to know the truth!

I hope you will join me in this column next week.

Direct dialing to Mexico City now in effect

DALLAS--Southwestern Bell customers in Texas will

Aguilar is now in Corpus

CORPUS CHRISTI--Navy Petty Officer Second Class Alfred Aguilar, Jr., son of Mr. and Mrs. Alfred Aguilar, Sr. of Route 1, Natalia, is a member of Training Squadron 28 at the Naval Air Station, Corpus Christi, which was awarded its second consecutive "Top Prop Squadron" award and the quarterly "Acres" award. His squadron received the awards for accumulating 80,000 accident free hours of student flight training in multi-engine aircraft. He attended Stephen F. Austin State University, Nacogdoches, Texas.

be able to dial calls direct to Mexico City starting November 7. "The new service promises new speed and convenience for many customers," said H. D. Schodde, vice-president of Southwestern Bell operations in the state. "Texans place an average of 9,000 calls to Mexico every business day." Schodde said dialing direct to Mexico City would be similar to dialing station-to-station calls to points in the United States. "Both seven and eight-digit telephone numbers in Mexico City may be called from any phone with 1 plus (Direct Distance Dialing) capabilities," Schodde explained. "To reach a seven-digit number in Mexico City, just dial 1, plus 905, plus the seven-digit telephone number."

souri, he continued. Other Bell System companies that will inaugurate direct dialing to Mexico City on November 7 include Illinois Bell, Pacific Telephone, Northwestern Bell and Cincinnati Bell. The service will be extended by other companies on a gradual basis.

Natalia & Chacon Lake news

By Mrs. L.W. Thompson

Mrs. Juan Chapa, Mrs. Alfred Sulthens, Mrs. Wesley Russell and Mrs. Martel Sollock accompanied a group of the sixth grade pupils of the Devine Junior High School to Natalia Friday and they enjoyed a skating party at the local skating rink.

Mrs. Wm. N. Stone complimented the group by furnishing refreshments of cookies and soft drinks.

Gripping Hollis made a trip to Hope, Arkansas Fri-

day and visited in the home of his brother and sister-in-law, the Lawrence Hollises, and other relatives until Sunday morning. He accompanied his mother, Mrs. Oscar C. Moses, home after she had visited three weeks with her son and daughter-in-law, the Lawrence Hollises, at Hope, the Carl Jenkins in Texarkana, Ark., relatives in Stamps, La. and Magnolia, Ark.

Bret Lorraine made a trip

to San Marcos Saturday morning by bus and visited until Sunday afternoon with his sister, Barbara Lorraine, and his brother, Bill Lorraine, students at SWTU. He attended the annual homecoming and the 2 p. m. football game between the SWTU team and Sul Ross College.

The Burley Sorrells, Kim, Tammy and Derek had as their houseguests from Saturday morning until Sunday evening, the Sorrells' daughter and son-in-law, Mr. and Mrs. Travis Hoerman from Pleasanton, and their daughter and son-in-law, Mr. and Mrs. Richard Curtis from Devine joined the family for the day Sunday.

D. B. Canion motored to Houston Thursday and visited until Saturday morning with his brother, Dr. Claude Canion, who is in a hospital there.

Mr. and Mrs. Alvin J. Crosswhite made a trip to Medina Friday afternoon for an outing at their cabin until Saturday night where they were joined by Mr. and Mrs.

Fred Morgan, Laura Lee and Ruth from SA.

Mrs. Frederick W. Welz, who was admitted to the Castroville Hospital on Monday, Nov. 1, for treatment, was released Sunday afternoon to convalesce at her home.

Reverend and Mrs. Franklin Pullin, Gregory and Lisa returned home Saturday evening after enjoying a several days' vacation dividing time with Mrs. Pullin's parents, Mr. and Mrs. R. P. Sumner in Houston and Rev. Pullin's parents, Mr. and Mrs. Denver Pullin in Gonzales. They spent from Monday morning until Friday evening in Bryan, and Mrs. Pullin attended a workshop for nurses that was sponsored by Texas A&M University.

Donald Allison made a trip to Houston Saturday morning for the weekend to attend the conference of the Natural Foods Associates. The conference was entitled "Healthful Living in A Polluted World."

Mr. and Mrs. Roy E. Allison went to SA Sunday morning after church services and they enjoyed visiting and had dinner out with their daughter and family, the Roy L. Williamses, Edmund, Jeffery, Fredyne and Mrs. Lavoy Williams.

Mrs. Hector Hernandez, Hector Jr. and Richard motored to Eagle Pass Saturday afternoon and visited until

NATALIA FIRST PLACE GREENHAND CHAPTER CONDUCTING TEAM

Sunday afternoon with her uncle, Victor Berrera, her mother, Mrs. Claudia Velarde, and her brother and sister-in-law, Mr. and Mrs. Dionicio Velarde, who were visiting from Monclova, Mexico.

Mr. and Mrs. James Smith, formerly of SA, were out Sunday night for the week with her mother, Mrs. Frank Singleton, while they are in the process of buying a home in Natalia. Mrs. Smith is the former Peggy Singleton.

Mr. and Mrs. Melvin L. Shields made a trip to Balingier Wednesday morning for the day to attend the 2:30 funeral of Mr. Shields' uncle, A. B. Shields, 69, who passed away unexpectedly on Monday at his home in Balingier.

Mr. and Mrs. Shields and Tom had as their houseguests from Friday until Monday morning, Mr. Shields' mother, Mrs. Albert Hermance from Coffeetown, Kan. and his brother and family, the R. W. Shieldses and Judy from Vernon. Tom was confirmed Sunday morning at Grace Lutheran Church in Devine, and after the morning church service, Mr. and Mrs. Shields entertained with a dinner at their home. Guests included Tom and their houseguests and Mr. and Mrs. Robert Ottinger, Tim and Don, Miss Shirley Frericks from SA, Mr. and Mrs. Ernest Weiser of Big Foot, and Mr. and Mrs. Henry Birdsong and Paul of Natalia. The Rev. and Mrs. R. J. Mueller of Pearsall joined the group in the afternoon for cake and coffee.

Mr. and Mrs. C. Patrick Gray, Suzanne, Patricia and Charles, had as their guests for the day Sunday, Mr. and Mrs. Leon Gillespie, John, Gary, Lee Ann and Patrick from SA.

Mrs. Della Williamson returned home Monday after an extended visit dividing time with Mr. and Mrs. Bill Henson and Steven and Mr. and Mrs. M. G. Lindsey and Leah in SA.

Mr. and Mrs. F. L. Graham had as their guests for the day Saturday, his brother and sister-in-law, Mr. and Mrs. Charles H. Graham from SA.

Mr. and Mrs. A. J. Saldana, Gilda and Ralph went to SA on a business trip Friday night and they had as their guest Saturday evening, Rudy Gallegos, from Charlotte, and he attended the football game in Somerset with the Saldanas Saturday night.

Mr. and Mrs. Greg Chavira, Gilbert, Bobby and Ricky from Pearsall came Saturday night for a visit with her parents, Mr. and Mrs. M. R. Saldana, and they attended the 8 p. m. church services at the Assembly of God Church in Natalia.

Mr. and Mrs. Daniel Vera made a plane trip to Chicago, Illinois Friday morning and visited Mr. Vera's sisters and families, Mr. and Mrs. Larry Rodriguez and Lisa and Mrs. Nina Ortiz and children, Adriana, Amanda, Emya and Abel. They attended the 2:30 wedding on Saturday afternoon at St. James Catholic Church in Belvidere, Ill. of Adriana and Mr. Mickey Martinez and the reception that was held

at the UAW Hall.

Mr. and Mrs. Vera made a trip to Rockford, Ill. on Sunday for the day with her sister and family, Mr. and Mrs. Homer Chapa, Sandy, Sylvia and Manuel. They returned home Monday afternoon.

E3 Jimmy David Capps, who is stationed on Treasure Island near San Francisco, Calif. arrived home by plane Monday for a 25 days' leave with his wife, the former Donna Bendele, and he got acquainted with his baby son, Tommy David, who arrived Saturday morning, Nov. 13.

Tommy Evans, age 12, son of Mr. and Mrs. Dave Evans on FM 463, was bit twice by a huge rattlesnake at his home Sunday afternoon, Nov. 14, while mowing the lawn. He was rushed to the Castroville Hospital by Hurley Ambulance by Leon Humphrey and Don Lawrence. Tommy was released from the hospital on Tuesday afternoon. The rattlesnake was not killed, but was seen crawling under their dwelling Tuesday night.

Mrs. Laura Schneider had as her guests Friday morning, Mrs. Bessie Turner, George Peoples and Claude Willis from SA.

Mini-Marriage talks announced for Dec. 5

Schedule of events for the Pre-Cana Conference (or mini-marriage course) slated for St. John's Hall in Hondo on Sunday, December 5, has been released by Rev. Emmet Carolan.

The main program will begin at 1 p.m. with Father Carolan's discussion on "Will Your Family be a Christian Family?"

This will be followed by Dr. Parker Meyer's topic of "Understanding Sex and Conception; Achieving Sexual Compatibility".

Floyd Hill, Doctor of Physiology, will then discuss "Understanding and Communicating With Your Partner in Marriage".

These discussions will be followed by panel discussions with three couples married for 10, four and two years.

Experiencing the marriage vows and ceremony--A Wedding Mass will wind up the one day session.

Registration is open to all couples contemplating marriage within the next six

months and all high school seniors. Fees are \$8 per couple, \$1 per high school senior. It is not necessary to pre-register.

Neuman completes MP course

FT. GORDON, GA.--Army Private Lynn R. Neuman, 22, son of Mr. and Mrs. Clarence L. Neuman, Hondo, recently completed a military police course at the U.S. Army Training Center at Ft. Gordon.

During the course, he was trained in civil and military law, traffic control, patrolling, techniques of quelling riots and disturbances, prisoner-of-war control, communications, care and use of authorized weapons, and unarmed defense methods.

He entered the Army in March, 1971 and was last stationed at Ft. Jackson, S.C.

A 1966 graduate of Hondo High School, Pvt. Neuman received his B.S. Degree in 1971 from Texas A&I University at Kingsville. He is a member of Alpha Tau Alpha Fraternity. Before entering the Army he was an assistant instructor at Texas A&I University.

Pep Rally planned

Go out Friday and help give the Owls a send off to victory!
A giant Pep Rally, to which all Owl fans are invited, will be held at Barry Field at 9:30 a.m. Friday, Nov. 26. If weather is bad it will move to the gymnasium.
The Owl Band will be there to provide the music. So everyone go out and provide the winning spirit.

Texas will beat A & M says Harmon on Turkey Day tilt

Number One battles Number Two on Thanksgiving Day, and Number Three thrashes it out with Number Six on Saturday. As we said last week, copy will abound this week on Nebraska-Oklahoma. In the Harmon book,

the Cornhusker power quotient is just two points stronger than the Sooners, but whatever happens, you may be sure that a lot of mouth-watering turkey dinners all over the national will suffer from acute footballitis.

Saturday's clash between the two Alabama unbeaten, Auburn and Alabama, won't run into any conflict with Thanksgiving dinners - possibly only cold turkey for the losers. The Southeast Conference championship is squarely on the line in this 36th renewal of the Battle of Alabama. Georgia's inability to stop Auburn two weeks ago surprised us ... the Crimson Tide might have the same problem, but we don't think so. Alabama will "hold that Tiger" just a bit better ... Auburn is the underdog by six points.
Army meets Navy in The Big Tradition in Philadelphia. The Cadets have shown a few more flashes of brilliance than the Middles, but as usual it can be anybody's ball game. On paper, it's West Point over Annapolis by two points.

THIRD PLACE
... Sr. Chapter Conducting winners are, front row, left to right: Gary Saathoff, treasurer; Wayne Stein, president; Ted Mendoza, member; second row: Tim Hardt, reporter; Kenny Weynand, member; Mitch Pope, secretary; Charlie Britsch. Not pictured is Bobby Cox, vice-president.

FFA teams win in San Marcos

Hondo's Greenhand Farm Skill Demonstration team placed second in Area VII Thursday, Nov. 18, at San Marcos.
And the team that beat them in Area, Medina Valley, went on to take second in the State contest at Huntsville on Saturday.

There were 12 teams in the Area and State competition in which Hondo and Medina Valley won their second place spots, respectively. J. D. Schmidt, FFA advisor, coached Hondo.

In the Southwest and Far West, two of the nation's powerhouses will close out their 1971 seasons. Tenth-ranked Arizona State, beaten only by Oregon State, will beat arch-rival Arizona by 28 points, and Houston, #12, will scalp Utah, also by 28 points.
In one of the climaxes to the 1971 college football season on December 4th, 5th-ranked Penn State will beat Tennessee, #18, by 13 points.

Jr. Hi Camp Fire report

We called the meeting to order. Terri Mummie served refreshments. Mrs. Foster collected the candy money. We decided on different mothers to bring us to the meeting.
We are having a slumber party and Christmas party. We had treasures report. We didn't have treasurers report she had forgotten it. We will draw numbers, to give away gifts. We will switch committees. The meeting was adjourned.
--Norma Mendoza
--Reporter

A very close contest emerged in the Chapter Conducting contest where Hondo won a third place. But judges said that out of a 1000 points there was less than a 10-point spread among the teams. This team was coached by John McAnelly, FFA advisor.

The Hondo Farm Skill Demonstration team placed fourth in the 12-team contest. Team members were Larry McWilliams, Gregg Saathoff and Jimmy Mummie.
Placing ninth was the FFA Quiz team comprised of Frank Haby, David DeLeon, Tommy Johnson and Allen Reed.
J. D. Schmidt served as a judge on Greenhand Farm Skill at the State contest in Huntsville Saturday.

Owls zap Rockets 41-12 & take Bi-district

Hondo's hard-charging Owls gave Lady Luck a helping hand Friday night as they blasted the Judson Rockets 41-12 to advance to the Regional playoff game with Needville.

Something about a play-off game must start the old adrenalin running in the Owls, for they hit harder, hung tougher, and pulled together in the harness better than they have all season, includ-

ing the Devine game.

Two recovered fumbles, brought about by terrific leather-popping hitting, and a pass interception brought Lady Luck into the picture. But the Owls didn't wait for a second nudge any time as they played alert ball all night long.

Scoring came through two TD's in the first quarter, one in the third and a third touchdown burst in the fourth

frame. Hard-running Johnny Abrego tumbled the scoreboard into a neon jumping jack with four touchdowns. Helping him keep the official scorer busy were Keith Ligon with one TD, Eric Grant with another and Tom Hill with five out of six extra points.

The Owls swooped early when either Fred Bader or Clyde Oefinger came charging downfield on the initial

kickoff to blast the ball from the hands of Steve Renner, and Robert Blackshear fell on the ball for an Owl recovery on the 21-yard line.

Eight plays later Abrego blasted over from the one and Hill kicked the extra point for a 7-0 lead.

Hondo held the stunned Rockets on the next series and tailback John Green let

the pressure take over and booted a short 12-yard punt to the Rocket 39. On the eleventh play Abrego wriggled in and out of Rocket defenders for five yards and the score. Hill made it 14-0.

Judson hit the comeback trail about midway in the second frame when they marched 60 yards after Abrego had whipped a quick-kick 57 yards. Climaxing the drive was a 44-yard pass from Gerald Lockey to Tom Staudt that ended in a tally.

Greg Buescher, the smaller of the Buescher brothers duo that dealt the Rockets misery all night, blocked the extra-point kick and Judson had to settle with six points.

Third quarter action saw the Owls take a Rocket quick kick on their own 47 and then turn Abrego and Ligon loose like a couple of two-ton trucks on the rampage. Kebo brought the show to a sudden stop by breaking over from the five-yard line for the third Owl TD of the night. Hill's kick made the board read 21-6 with about 5-1/2 minutes left in the third frame.

Green got the Rockets off to a second tally on the first play in the fourth quarter, capping a 72-yard Judson drive with a five-yard end run. Lockey's pass to Bobby Horton failed and Hondo led 21-12.

That was all she wrote for the Rockets, but it seemed the Owls were reluctant to kill their motor once they had cranked up their scoring machine.

Following Green's jaunt into paydirt, the Owls mounted a ground attack that chewed up 60 yards in ten plays with Abrego crushing over from the 1. Hill's kick was no good and Hondo led 27-12.

Eric Grant, who had been stung on the Judson scoring pass earlier in the game, got his revenge about a minute later when he grabbed a Rocket pass and scampered 30 yards for the score. Hill kicked to boost the score to 34-12.

Fred Bader, a thorn in Rocket sides all night, decided about three minutes later he would give the Owls a final opportunity to score as he pounced on a Rocket fumble at the Judson 19.

And the Owls did not disappoint him. Abrego dashed up the middle for eight yards and a score to climax the drive. This time Hill's kick was good and even the majority of the Owl fans were content to sit back and bask in the warm glow coming from the 41-12 lights on the scoreboard.

Ligon ran for an unofficial 109 yards on 21 carries

to lead the rushers, but Abrego was close on his heels with 104 yards.

The defense was extremely stingy all night allowing Judson only 89 yards on the ground. Defensive starts were plentiful all night long and to name them would leave someone out, but the PA system could be heard repeating the names of Greg and Mark Buescher, Clyde Oefinger, Jose Cadena, Robert Blackshear, Kurt Leinweber, Gordon Wiemers, Joseph Schueling, John Howard, Gary Zinsmeyer, Mike Saathoff and others.

One thing the Owls did for the Rockets was leave them with a bad taste in their mouth about Double A ball. For this was their final game in Two A competition, since they move up to Three-A next year. They ended the year with 6-4-1 record.

Hondo now stands 9-1-1. Unofficial statistics showed, with Hondo first: First Downs--23-10; Rushing Yardage--255-89; Passing Yardage--36-117; Return Yardage--65-15; Passes--5-10-1, 6-13-2; Punts--2-46, 0, 5-28, 4; Yards Penalized--6-60, 4-38.

DIG OUT, KEBO

... big Kebo Ligon scored one TD and gained 109 yards against Judson

Possible opponents take wins

Looking ahead to a big IF, the following information is given on possible Owl opponents.

And that is where the IF comes in. IF Hondo defeats Needville Friday night, they will have to face the winner of the Refugio (second ranked in state) and Premont.

The Bobcats, trying for a second straight championship title, whipped Rockport-Fulton 18-0 in Bi-district.

Refugio racked up 250 yards on the ground and 63 in the air. Leading rushers were Glynn Jones, 82 yards; Carl Green, 78 yards; QB Larry Bonner, 72 yards.

Carl Green scored on a 22-yard pass from Bonner; Lloyd Green ran a blocked punt 32 yards for a TD; and Jones made the final tally on a one-yard plunge.

Premont The Cowboys led 12-0, gave up two touchdowns within 2 minutes late in the fourth quarter, then came back to win the game 15-14 on a 25-yard field goal by Roel Gonzalez on the final play of the game.

THANKSGIVING

Thanksgiving services will be held Wednesday, November 24th, at 7:30 p.m. at Quilf Lutheran Church.

A cordial invitation is extended to everyone.

Number one twirlers

Hondo twirlers "did their thing" so well Friday at Pearsall they won a first division rating in twirling ensemble at the UIL contest. They are, kneeling, left to right: Myra Mc-

Cartney and Robin Saathoff; Standing: Georgia Landers and Donna Zerr. Georgia also won first division medal for twirling solo. (Photo by Jimmy Overstreet)

Lutherans announce services

St. Paul Lutheran Church will have special Thanksgiving Day Services Thursday morning at 9 a.m.

The Senior Choir members will lead the congregational singing and also render a special anthem, "With Grateful Hearts".

Services will be conducted by the pastor, Rev. A. M. Hannemann. His sermon theme will be "Mary, An Example of Thankfulness".

COWBOYS GO AHEAD

... touchdown salts away game 35-29

Cowboys grab district title by winning 35-29

The D'Hanis Cowboys surprised everyone but themselves Saturday night as they captured the District 27-B title. This came after a thorough lashing of the Brackettville Tigers, 35-29 in Cowboy Stadium.

The Cowboys, who were decided underdogs from the start, began the game on a dramatic note. After losing starting quarterback Bobby Joe Rothe to injuries a few days prior to the contest, they also lost Ralph Sarabia, co-captain and starting tackle, only a few hours before game time. Rick Rothe gave a tremendous effort in the quarterbacking slot and remedied one problem. Then the team elected Spencer Burrell and David Nester, both juniors, to serve as acting captains in Sarabia's absence.

The first quarter was started by a great display of effort on the part of D'Hanis. Fullback Spencer Burrell went 40 yards up the middle for a score. David Santos converted to make the score 7-0.

In the second quarter Rick Rothe, turned what appeared to be a loss into a touchdown. He thrilled the fans by taking

advantage of the great blocking by his teammates before he crossed the goal.

Brackettville came to life soon after though as quarterback Joe Rose threw 60 yards to Dale Gumm. Gumm then ran 16 yards for a score. Ricky Goodloe converted.

With little time remaining in the first half, Brackettville again drove deep into Cowboy territory. Rose plunged two yards for six points with Goodloe again converting. The half ended with the score 14-all tie.

The Tigers were really fired up as they took the lead in the third quarter. Following a roughing the kicker against D'Hanis, Rose ran for a 30-yard gain. Mario Jaso took the ball the final three yards. Goodloe converted making the score 21-14, Brackettville.

D'Hanis roared back with a 70-yard drive to the goal. Most of the yardage came on passes from Rothe to Steve Jaso, Spencer Burrell and David Santos. Jaso got credit for the score after a one-yard dive. Santos added the PAT and the score was tied again.

The Cowboys carried their momentum into the fourth quarter as Jaso intercepted a Brackett aerial on about the Cowboy 40. The Cowboys drove to the one-yard line where Rothe scored, after following the blocking of David Nester on a quarterback sneak. Santos was true again as D'Hanis took the lead 28-21.

Jaso was the man on the spot again as he intercepted another pass on the Brackett 45. He and Burrell carried the ball to the six where Rothe scored his third touchdown of the night, and Santos added his fifth extra point for a 35-21 score.

Brackett made a futile effort to regain the lead, but to no avail. Mario Jaso scored from eight yards out with 1:48 remaining in the game. Jaso then passed to Doug Ward for two points, making the score 35-29.

The Cowboys took possession of the ball and kept it for the time remaining to post their second and most important district win.

To cite outstanding performers: Steve Jaso played perhaps the best game of his career; several freshmen added spark to the Cowboy attack - Doug Kempf, Elicio Garcia, Alan Huser, Ronnie Koch, Charles Hood and Richard Rothe; their defensive stalwarts Sostenes Garcia, Augie Rothe, Spencer Burrell, Ray Gallegos, David Nester and David Santos.

This was all made possible by some fantastic coaching - the work of head coach Clayton Woolfs and assistant Pete Angermiller.

D'Hanis awaits the outcome of the Agua Dulce-Smiley game to find out the opponents for the Regional 7-B Championship.
